Evans takes Regional Leadership Role

Elected officials and staff from over twenty cities, towns and organizations came together for the Colorado Municipal League's District 2 Fall Conference on September 29. Hosted by the City and held at the Riverside Library, Mayor John Morris provided an overview of our economic development efforts, infrastructure projects and the latest on flood recovery to the group of 50 in attendance.

Citizens Police Academy

A look “behind the badge” was the experience of 22 residents who participated in an 8-week long Citizen’s Police Academy. Each Tuesday night for three hours, Evans Police Officers shared, taught and engaged residents what they experience on a daily basis. Participants got to make fake traffic stops in a parking lot, interact with a video simulation of dangerous situations and agree to be briefly tased if they wanted. Educational topics included how SWAT works, gang issues, illegal drugs, police ethics, investigations, search & seizure and more. Participants learned firsthand how split second decisions have to be made by officers while simultaneously considering multiple factors. It was eye-opening for all the students. The next Citizens Police Academy will begin in early 2017. Contact Officer McClatchey for more information tmclatchey@evanscolorado.gov.
